

COVID-19 Catch-up premium expenditure 2020-21

Catch-up strategy	Cost	Educational rationale
CGP books for all children	£5,000	To support and enhance curriculum delivery for all children throughout the school year. SEND children to receive tailored packages to suit their individual needs. Books used when children are in school and during school closure periods.
CGP revision cards for all children	£3,720	To support children to practise appropriate skills for their year group as homework and during school closure periods. SEND children to receive tailored packages to suit their individual needs.
Rising Stars Reading Planet	£550	Online library of reading books assigned and assessed by child's class teacher. This package enhances reading in school and provides a valuable resource for children to read additional books for homework and during school closure periods.
NELI programme (staff training)	£700	DfE accredited package to support early language skills.
NELI delivery (20 days, qualified teacher led)	£4,000	DfE accredited package to support early language skills.
Speech and language therapy days (10 days)	£3,100	Speech and language therapist support to provide package of support for children's speech, language and communication development. Assessments carried out and programmes developed for use in school and at home.
Language Thinking	£50	SEND resource to support developing language skills.
Race to English	£50	EAL resource to support this group of children who have had little opportunity to use English during the school closure period.
Year 6 club (after school – 2 hours per week x 2 Year 6 classes, LSA led)	£1,000	To support children in Year 6 to fill the gaps created by extended periods of school closure, supported by gap analysis by class teachers.
Tutoring catch-up support (via Teams, qualified teacher led, 40 days)	£8,000	Support for specific small groups of children after school by a qualified teacher based on gaps identified by class teachers. Children access support via Teams at home, therefore removing the need to miss learning in school to access catch-up support.
Contingency	£2,790	Set aside for additional catch-up opportunities that arise during the year.
Total	£28,960*	

*Total catch-up premium allocated to the school 2020-21 = £28,960
