Head of School: Ms K. Riddleston

Wednesday 14th April 2021

Dear Parents/Carers

Please find attached the report from the school's recent additional remote monitoring inspection by Ofsted which was received in school earlier this week. This report will be published on the Ofsted website on 26th April.

You will see that the report notes the positive action that is being taken:

Leaders and those responsible for governance are taking effective action to provide education in the current circumstances.

Whilst this type of inspection does not lead to a change in Ofsted grade for a school, I hope that you will be encouraged to read about the positive steps that are being taken. We are anticipating a further inspection by Ofsted in the Summer Term 2021 and we are hoping that this inspection will give the staff, children and parents the opportunity to share all of the developments that have taken place since the school was judged to require special measures in June 2019. It is likely that this inspection will take place on site and will therefore allow inspectors to see all of the positive changes in the school for themselves.

Thank you for all of your support for Richard de Clare. If you have any questions about the inspection report, please contact the school office and someone will call you to discuss this further.

Yours sincerely

Claire Jaques

Mrs C. J. Jaques

Executive Headteacher
